Overview

Get to Know Your Neighbours (GTKYN) is available to City of Stirling residents to host events to Get to Know Their Neighbours.

Gatherings should bring the neighbourhood together to improve connections in your street. This can be done through a BBQ, picnic, games day and more.

We recommend discussing your application with your neighbours prior to submitting, input from your neighbours will help strengthen your application. It will also provide you with an opportunity to discuss what resources you already have for the event. Some things you might like to discuss with them are:

- Does anyone have a table for the food?
- Would anyone like to bring a plate?
- Does anyone have games, a football?
- Where is the best place to host the event? Is someone happy to offer their front lawn? Is there a park near by?
- Can someone design and print a flyer to let everyone know about the event?
- Are you all on Facebook? Can you create a group to plan?

Priority will be given to streets that have not received funding for a gathering before. Funds may not be awarded to streets or neighbourhood that have received multiple GTKYN grants.

Streets can only apply for a GTKYN application once per financial year.

Please allow up to 4 week to process the application.

Please contact us on 9205 8555 or email familyservices@stirling.wa.gov.au if you have any questions about the application.
